

Announcing a New Accredited ASB Course

First National BTEC Programme in Senior ASB Case-working

Limited Availability :: Book Now :: Only £895.00 EX VAT

Professional Award qualification for senior staff, delivered by some of the UK's leading experts in tackling crime and anti-social behaviour.

This course is designed to ensure that managers or senior case workers are effectively qualified to conduct higher level investigations. This qualification will also equip non case working managers to manage investigative and case building teams.

Full on-line student support

Each student receives 30 hours of learning which includes:

- Pre-course work
- 2 taught classroom based days
- Work place assessments
- Student on-line community
- Full tutorial support
- Classroom based examinations
- All course and examination fees
- Venue and refreshment costs
- Student learning materials
- BTEC academic registration fee's
- Award of BTEC Certificate

Course design Feedback

From the materials and approach I can see how valuable this course and qualification will be for all senior case workers or supervisors. The course builds on the Practitioner course but would also serve well managers who are not case workers.

Current BTEC Student

Professional Certificate in case working

Enabling you to complete in a more competent and qualified way senior case working or the supervision of staff engaged in investigations and general case working.

The three modular course covers
